Lawrence R Green

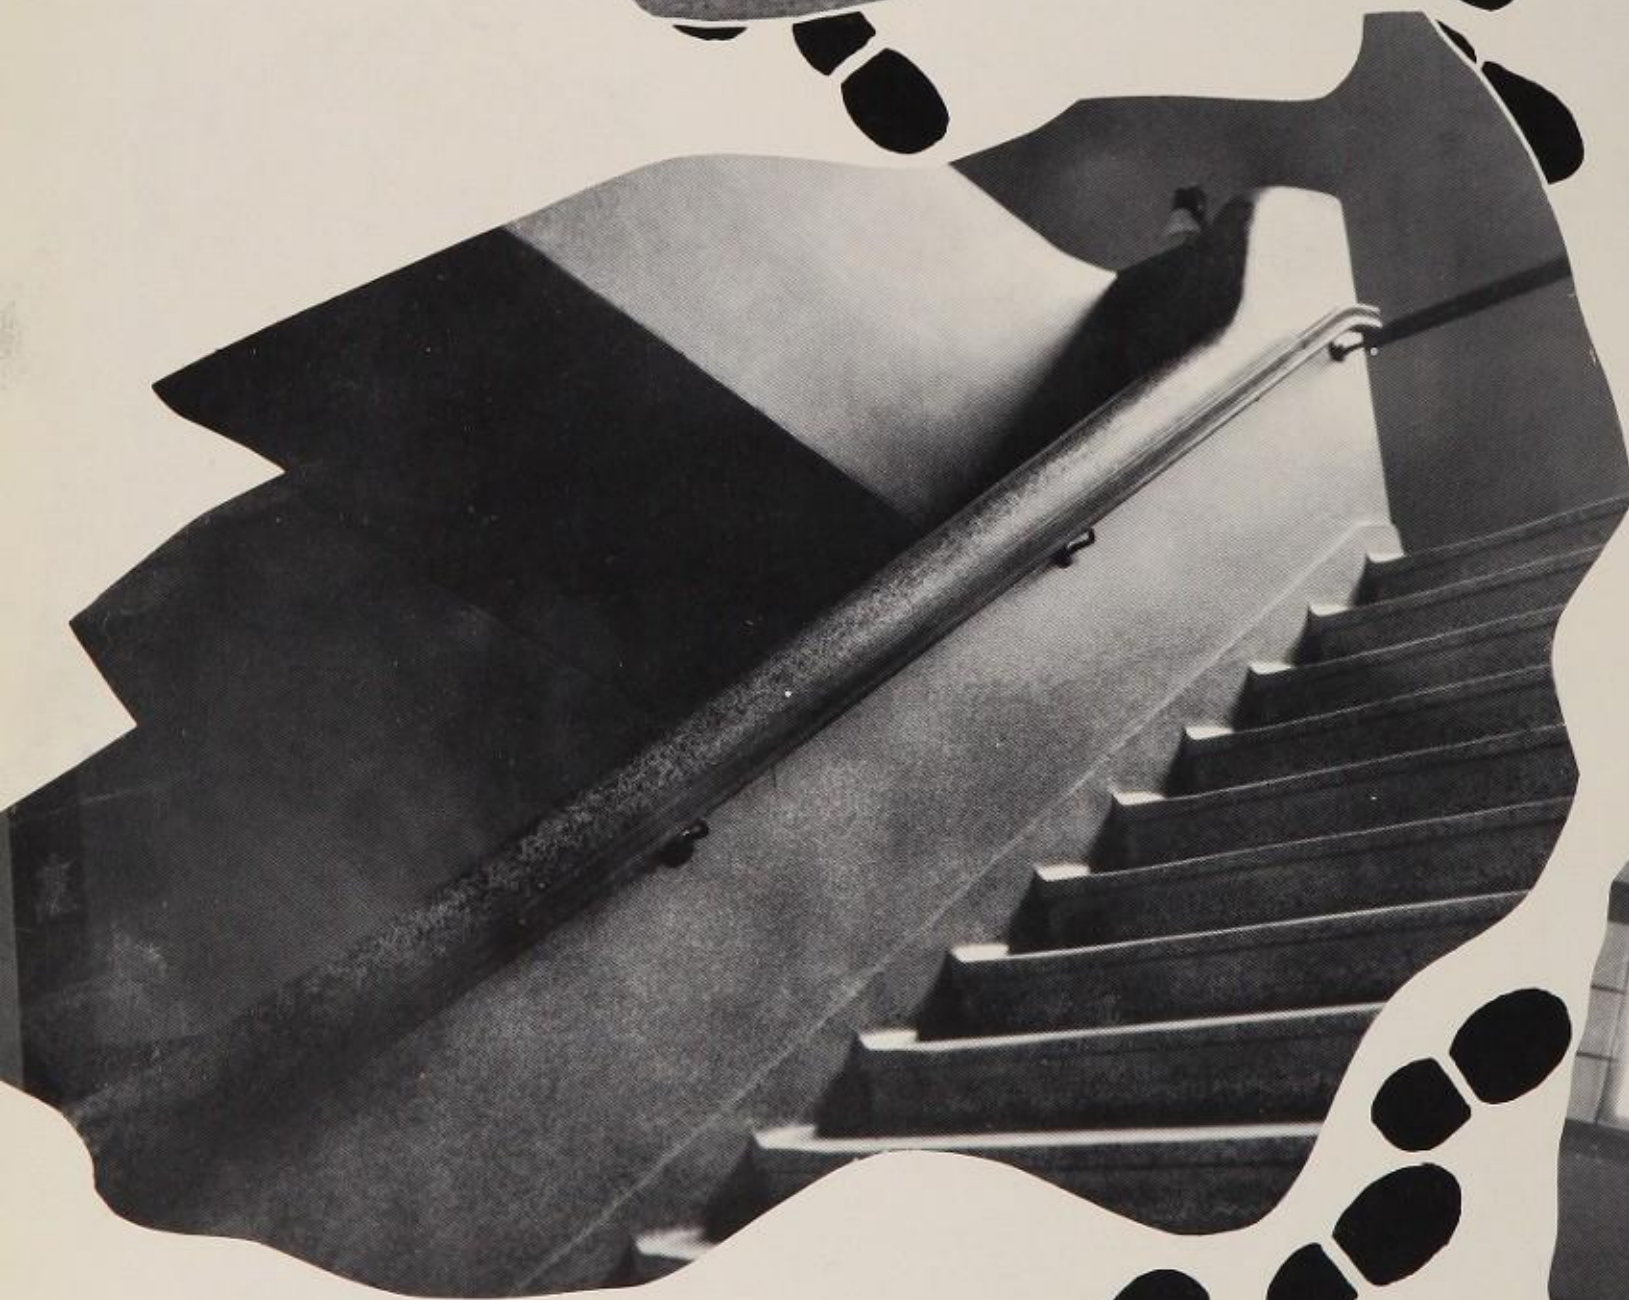

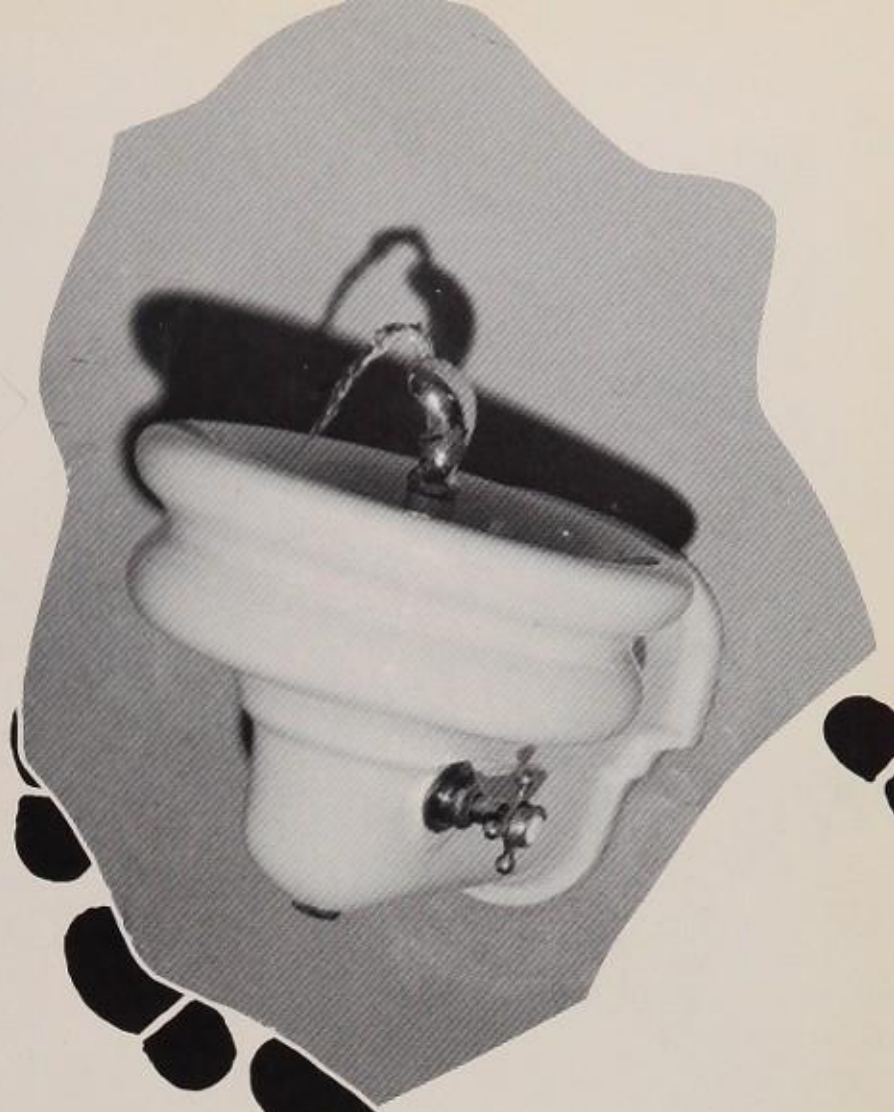

Lives of great men all remind us
We can make our lives sublime,
And, departing, leave behind us
Footprints on the sands of time.

Footprints, that perhaps another
Sailing o'er life's solemn main,
A forlorn and shipwrecked brother,
Seeing shall take heart again.

Let us, then, be up and doing,
With a heart for any fate;
Still achieving, still pursuing,
Learn to labor and to wait.

SENIORS

The Senior Class Presents "The Night of January 16th"

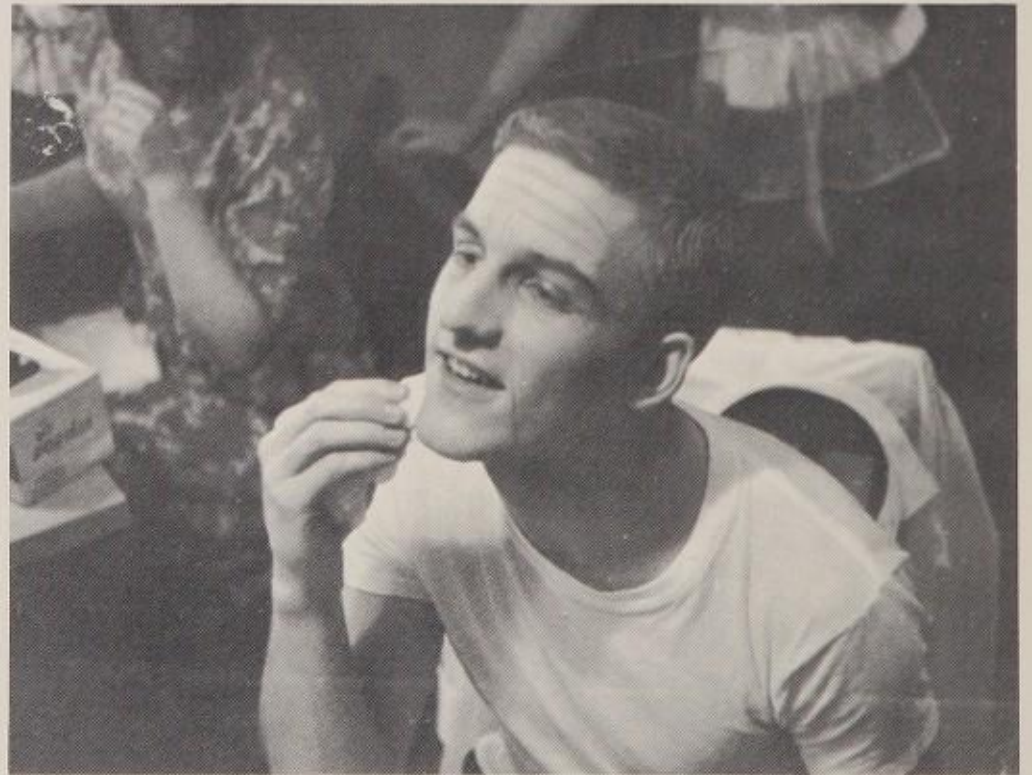

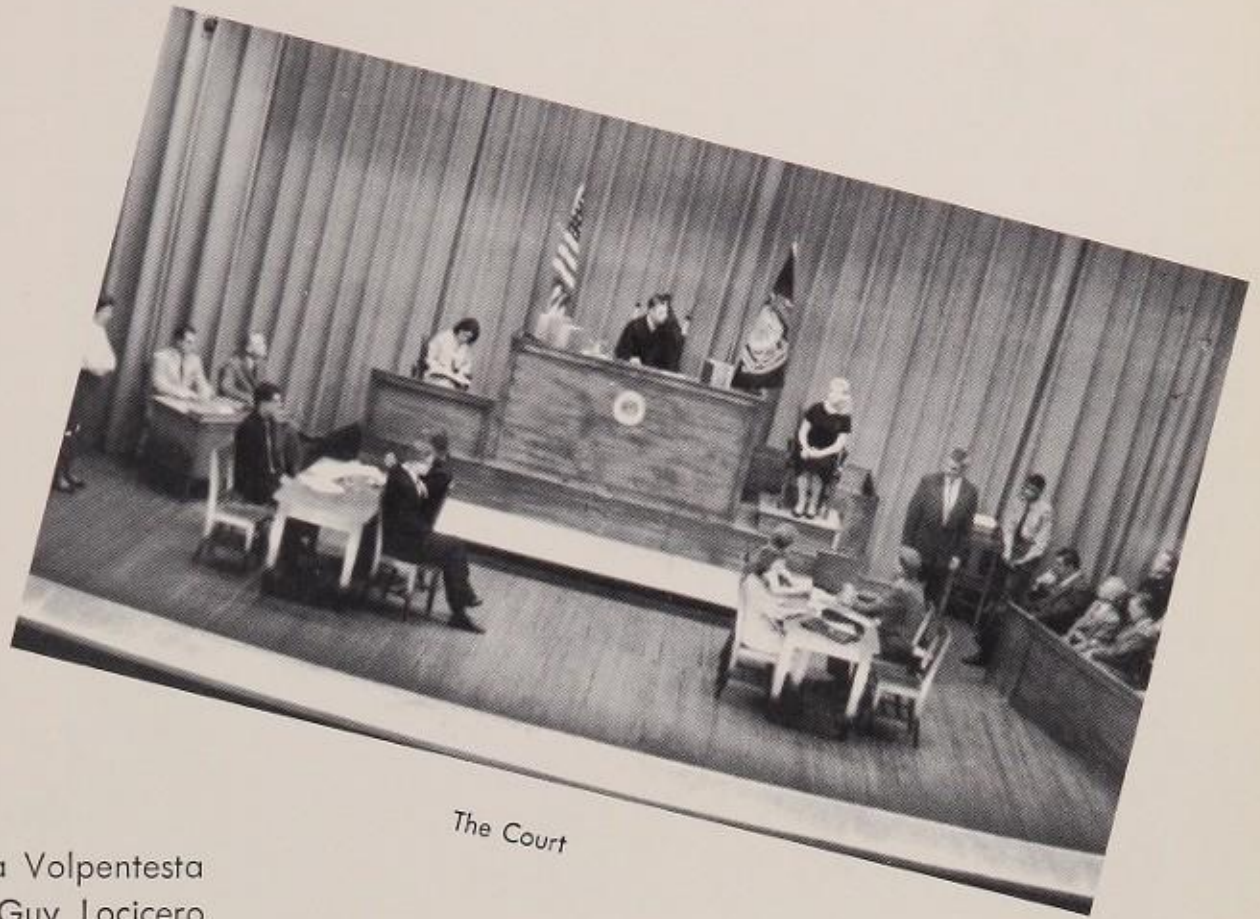

Three Cheers for the Director

It's sooooo wicked!!

Our 1958 Senior Class Play "The Night of January 16th" held many surprises within the testimonies of the different characters that came to testify either for or against Karen Andre, the woman on trial for her life. Did she kill Bjorn Faulkner or was her story true that in order to avoid bankruptcy she planned to fake a suicide of the international financier and then escape with him to South America with a fortune in cash to credit? We cringed in our seats, chewed our fingernails, and gasped in horror as we made our Senior Class play a tremendous success . . . thanks to the cast and crew for presenting such a fine production.

In Memoriam of Louis Scola

Thomas Grey once wrote,

"Perhaps in this neglected spot is laid
Some heart once pregnant with celestial fire;
Hands that the rod of empire might have swayed,
Or waked to ecstasy the living lyre."

We dedicate these words to the memory of Louis Scola Jr., class of 1959, our beloved classmate, who died on May 3, 1958. We bear his death with deep sorrow, but find solace in the memory of his wide achievements. We bid farewell to a fine student, promising athlete, and loyal friend.

Music . . . Music . . . Music

A tribute to our country.

Strike up the band.

A star is born.

The A Cappella Choir Leaves for Its Destination . . . St. Olafs

All a-bustle and bright for a fun-filled, memorable weekend.

Crazy and lazy . . . excited and eager.

We greenhorns have had a wonderful year after having been welcomed into K.H.S. with friendliness and warmth. After learning the ropes thru buying elevator passes, getting lost in the shuffle and surviving initiations . . . while being swarmed by little men in K-Jackets . . . we feel a part of the student body. Now as we leave our dear old annex for all the lucky incoming sophs, we sigh a sigh of sadness. . .

Officers

Elaine Walton, Anna Messner, Lennie Siebert, Terry Rose.

Lost and Lonely . . . Mystified

The Annex

The Annex, ah the Annex!
With its faded walls of brown.
(I do not lean upon them
for fear they'll tumble down.)

What fun it is for sophomores
To tread these sagging floors!
What fun to swing those squeaky boards
Which teachers call "the doors."

Ah yes! Here is a building
Where true enjoyment reigns,
Where hordes of eager sophomores
Have fertilized their brains.

Yes, there is something charming
About these ancient halls.
And there is something beautiful
About these mouldy walls.

Ah, can it be the corpses
Of students who have died
While waiting for a breath of air
Which had to stay outside?

Or can it be the spirits
Of students who expired
While waiting for the boiler room
To get the furnace fired?

Yes, there is something beautiful
Within these hallowed walls.
A voice from generations past
Down to us gently calls:

"Tear down, tear down the annex!
Tear down those hallowed walls!
Get out before the roofing gives
And round about you falls!"

"Evacuate the building
If you would save your skin!
Those beams that hold the ceiling up—
Who knows when they'll fall in?"

Then quietly, unhappily
We'll leave through those old doors.
Our feet, once eager in their flight
Will leave those sagging floors.

Then, silent, between the buildings,
We'll mutely stand around
And cheer as the dear old Annex
Comes tumbling to the ground.

On the night of May 2 prom-goers began their evening with Moonlight and Orchids. The time flew so fast as we flitted from coketail to coketail . . . and finally drifted in to the Prom just as our beautiful Queen Jill Brunner and her handsome King Carl Bergren were being crowned. We danced till midnight, casting off our tiny pointed shoes when they became too much for us to bear. We enjoyed a movie premiere and returned to the Ballroom to dance and dine through one of the most memorable nights of the year. Parks and ponds were places for picnics the next day as a lovely dawn brought through a sparkling warm sunrise . . . sleepy heads rested on sleeper shoulders as our 1958 Junior Prom activities come to a close.

A. F. S. Student

Our 1957-'58 exchange student came to us last August from Mainhardt, Baden-Wurttemberg, Germany. In June she graduated from MBHS with honors, after having carried a full program of studies which included American Problems, Speech, American Literature, French, Chemistry, and A Cappella Choir. Her participation in a wide range of extracurricular and club activities has given her a well-rounded year of experiences of the American teen-age girl. Many lasting friendships have been made this past year, and, as she returns to Germany, Dorothee takes with her a vast amount of affection from her Kenosha classmates. She has been a real "Ambassador of Goodwill" from her country to ours.

Dorothee and Her American Family

While in Kenosha, Dorothee lived as a member of the O. W. Kirkeby family. She is pictured here with "Pa" and "Ma" Kirkeby, her sister Mary, and brothers Karl and John. Maggie, the pet boxer, is also a popular member of the Kirkeby household.

On the night of May 2nd prom-goers began their evening with Moonlight and Orchids. The time flew so fast as we flitted from coketail to coketail . . . and finally drifted in to the Prom just as our lovely Queen Jill Brunner and her handsome King Carl Bergren were being crowned. Really spry and full of new cheers.

She has pep with a plus.
For three years now she's been a pal
To each and everyone of us.
In our hearts she'll hold her fame,
By now you know, Marita's her name.

Laughing and joking are two traits
Of another among our greats.
Always routing for our team
Donna's really on the beam.

Down by the Riverside

This year's Swimming Team coached by Frank Martin ended the season with a dual record of 9 wins and 5 losses. In the State Meet they placed seventh, due to a disqualification in the relay event. The outlook for next season's team looks very good and we wish Coach Martin loads of luck.

Running Wild

With the nucleus of Coach Chuck Jaskwhich's 1958 Track Team out with injuries, they still made an impressive showing by capturing the Big Eight Title for two years in a row, and then going on to take the Sectional Title. Although they were not able to repeat as State winners, they took a third place.

Track Team

Hustlin' Harriers

This year's Cross-Country team, with a new coach, Don Sudkamp, showed an improvement over the past year's teams. With Dennis Monroe taking 1st in the State Meet, and two sensational Sophs, and the reliable Seniors, the Harriers took a 12th in the State. Out of six dual meets, they won five, and they captured fourth in the Big Eight. With six lettermen returning, next season's team should uphold this fine record.

Hustling Hitters

In all three years K.H.S. has been in the Big Eight, they have captured the Big Eight Title. This year they ended the season with 9 wins and 3 losses. We hope Coach Andy Smith's team will repeat as winners for the next three years.

Baseball Team

Grappling Golfers

With only two lettermen returning, the outlook for Coach Joe Britteli's 1958 Golf team was dim. But with certain Sophs and Jrs showing surprising strength, the linksmen captured the Big Eight Title. The team was knocked out of contention for the State Meet in the sectionals. Co-Captain Mickey Franklin, our lone entry, took eighteenth place and also fired a hole-in-one.

Golf Team

ROW 1: Joe Broesch, Dick Adamson, Chuck Rizzo, Don Camosy, Tom LaDousa. **ROW 2:** Mickey Franklin, Dick Zimmerman, Ken Cherry, Dan Chubrillo, Dennis Pecore. **NOT PICTURED:** Coach Joe Britteli.

Tennis Anyone??

This year's Tennis team coached by Verne Schmale racked up a dual record of 9 wins and 3 losses. In the Big Eight they placed third, but were not able to place in the Sectionals. With four returning lettermen, the outlook for next year should be impressive.

A Final Farewell from

Well . . . here we are at the end of our book, and the end of the year and . . . misty-eyed . . . we Seniors bid farewell to those who follow us. Now that our high school days have come to an end . . . and there'll be no more books to lug . . . or verses to memorize . . . or theorems to recite . . . or lockers to stuff . . . we realize how much our high school years have meant to us. We'll miss the familiar couples walking hand in hand down the hall . . . the rustle of girls' skirts . . . the "men" in their K-jackets . . . the odors from the chemistry lab . . . the "group" in the Park . . . the trudge from the Annex to the Main Building at -40 degrees . . . all the things that never meant so much to us 'til we had to leave them. Our laughing . . . loving . . . loafing K.H.S.'ers . . . we wept at their Homecoming . . . twirled at Sub Deb . . . cheered at their football games . . . clapped at their Variety Show . . . squealed at their wrestling meets . . . rooted at their basketball games . . . gasped at their class play . . . and glided at their Prom . . . sadly and reminiscingly. Our embarrassments . . . laughter . . . tears . . . all combine in our storehouse of memories . . . for it was a year of fun . . . friendliness . . . and sorrow. Memories . . . memories, some of which will be forgotten . . . some of which will remain forever as wonderful reminders of our high school daze . . .

The 1958 SPY Staff is grateful for their continued interest and help in producing a yearbook that we can be proud of for years and years . . .

YOUR FRIENDSHIP IS OUR BUSINESS!

Without your friendship, we can't continue in business. That's why it's important to us that you're satisfied when you buy your Chevrolet from us. Here's how we back it up when we say "Come in again!"

We've worked hard to build up a reputation in this community for honest and fair dealing. We make sure you get the car you want, with the equipment you want, at a reasonable price. We always try to give you quick attention, too. Our deliveries are as prompt as we can possibly make them. And yet, for your protection, we won't let a car out of our building unless it's

in topflight running condition.

We believe that's the right way to do business. YOU benefit because you get exactly what you want. We benefit because chances are you'll be back for your next car. It's a favorite saying of ours that our best advertisement is a satisfied customer. We'd be happy to talk to you at your first opportunity.
